*"And where did he send his Son?  
To a palace,  
to a city, to an  
office building?  
He sent him  
to a family.  
God came  
into the world  
in a family."  
Pope Francis*

*If God sent his Son into a family, what does that mean about the importance of family today? We pray that many people would establish families that welcome Christ and bring him to others.*

Why are you here?

1. You are a Catholic parish
2. Lent is coming up quickly
3. Your school could use more students
4. You're understaffed
5. You're under-resourced (no \$\$)
6. You'd love some *fresh ideas*

## *The Prayer of St. Thomas Aquinas*

Grant, O merciful God, that we  
may **ardently desire,**  
**prudently examine,**  
**truthfully acknowledge,**  
and **perfectly accomplish**  
what is pleasing to you  
for the praise and glory  
of your name.

Amen!

We have raised more

We have helped train  
more than 4,000 parishes

Our social media posts  
have reached more than  
**57 million** people in the

Why is social media important?

## Reason #1

Because that's where the people are

82% of Americans age 12+  
are on social media

U.S. adults spend  
2+ hours every day  
on social media

So what?

Why does my parish need to  
be on social media?

Because  
Saint Paul  
didn't stay

He went to  
Athens

Bless your people's timelines

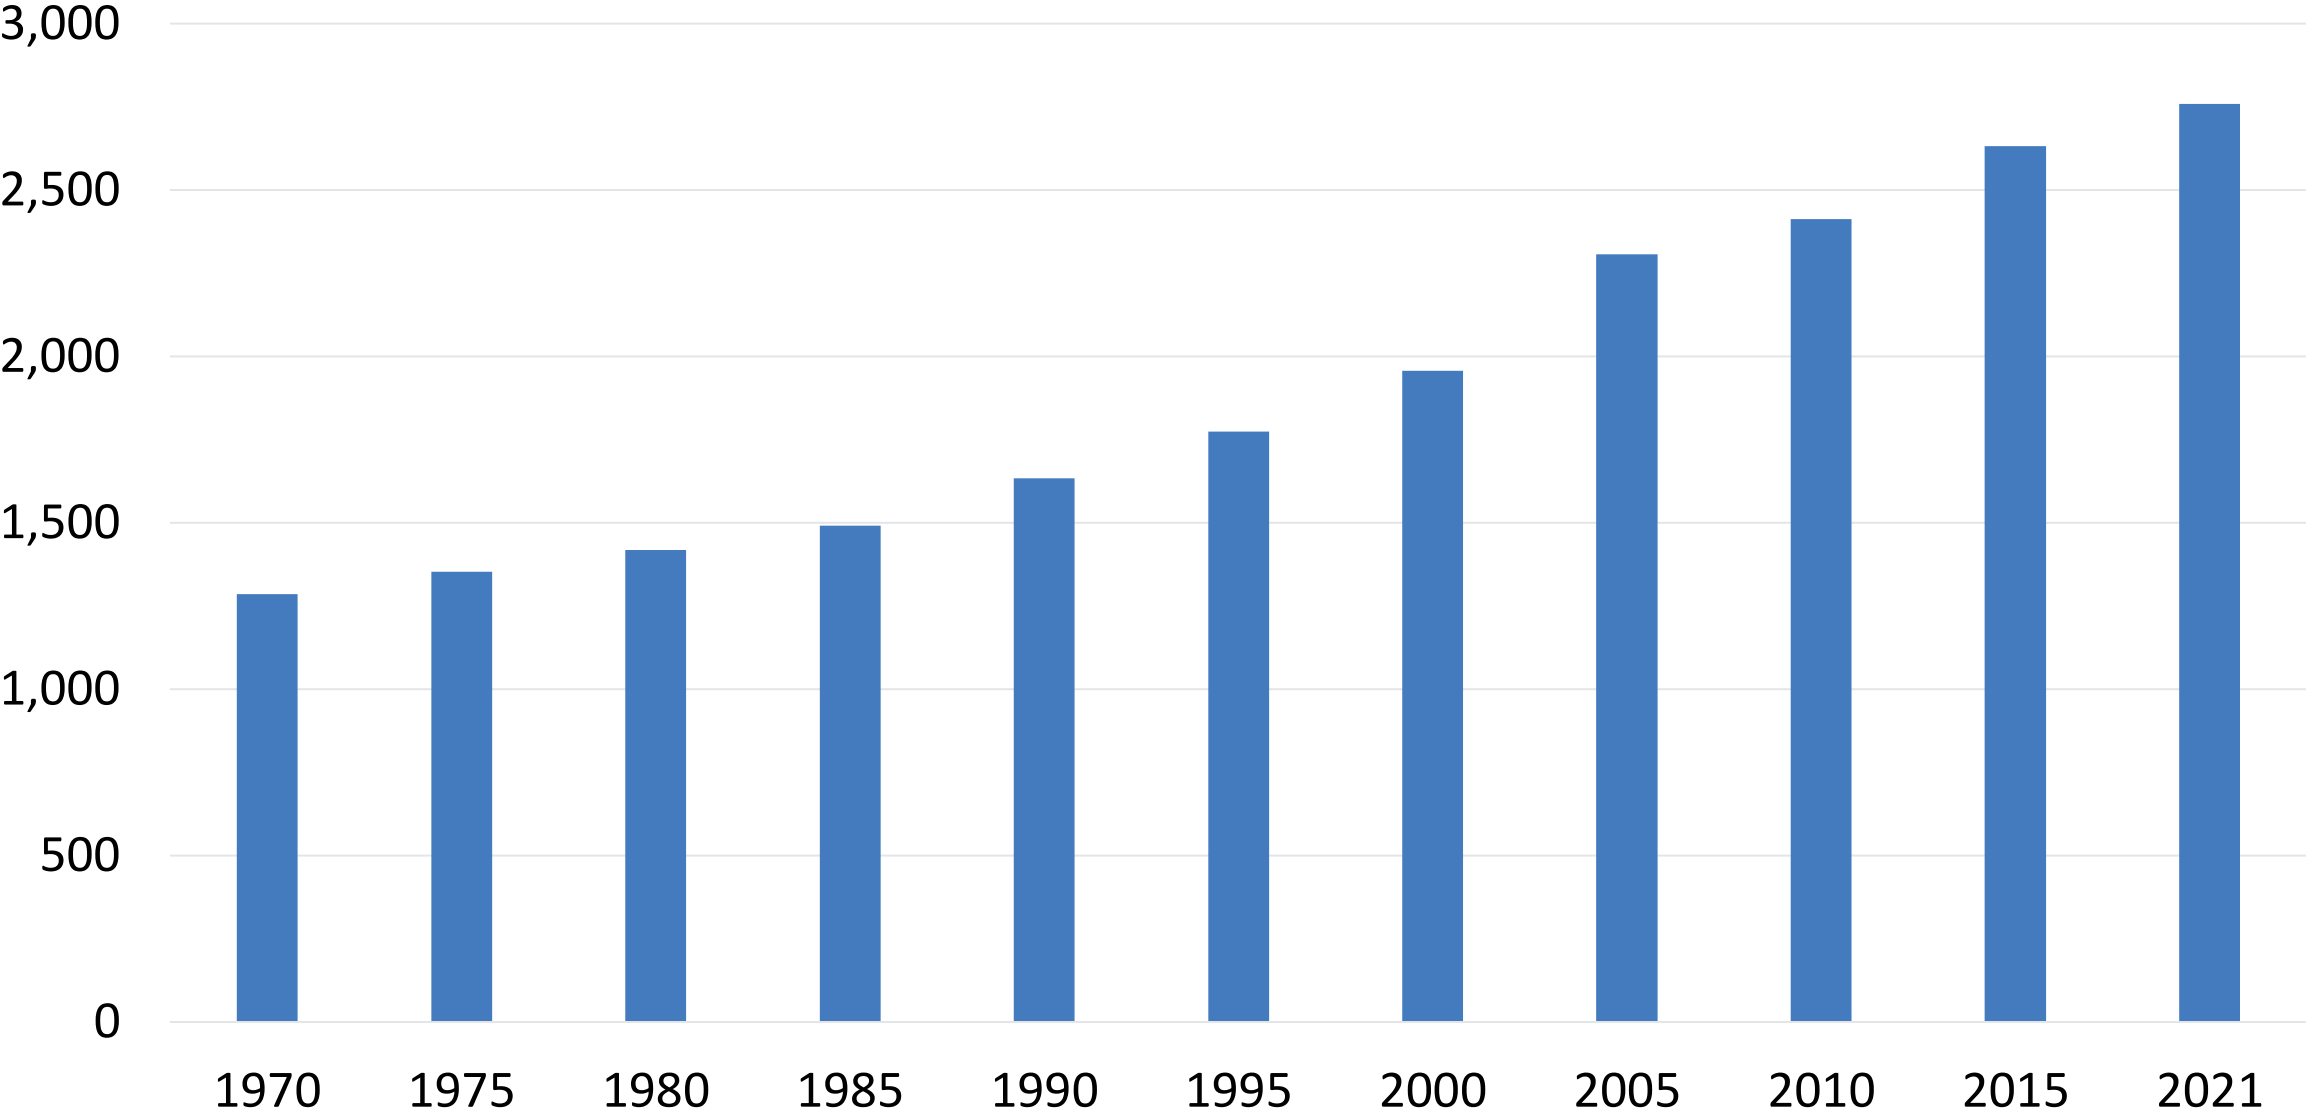

## Reason #2

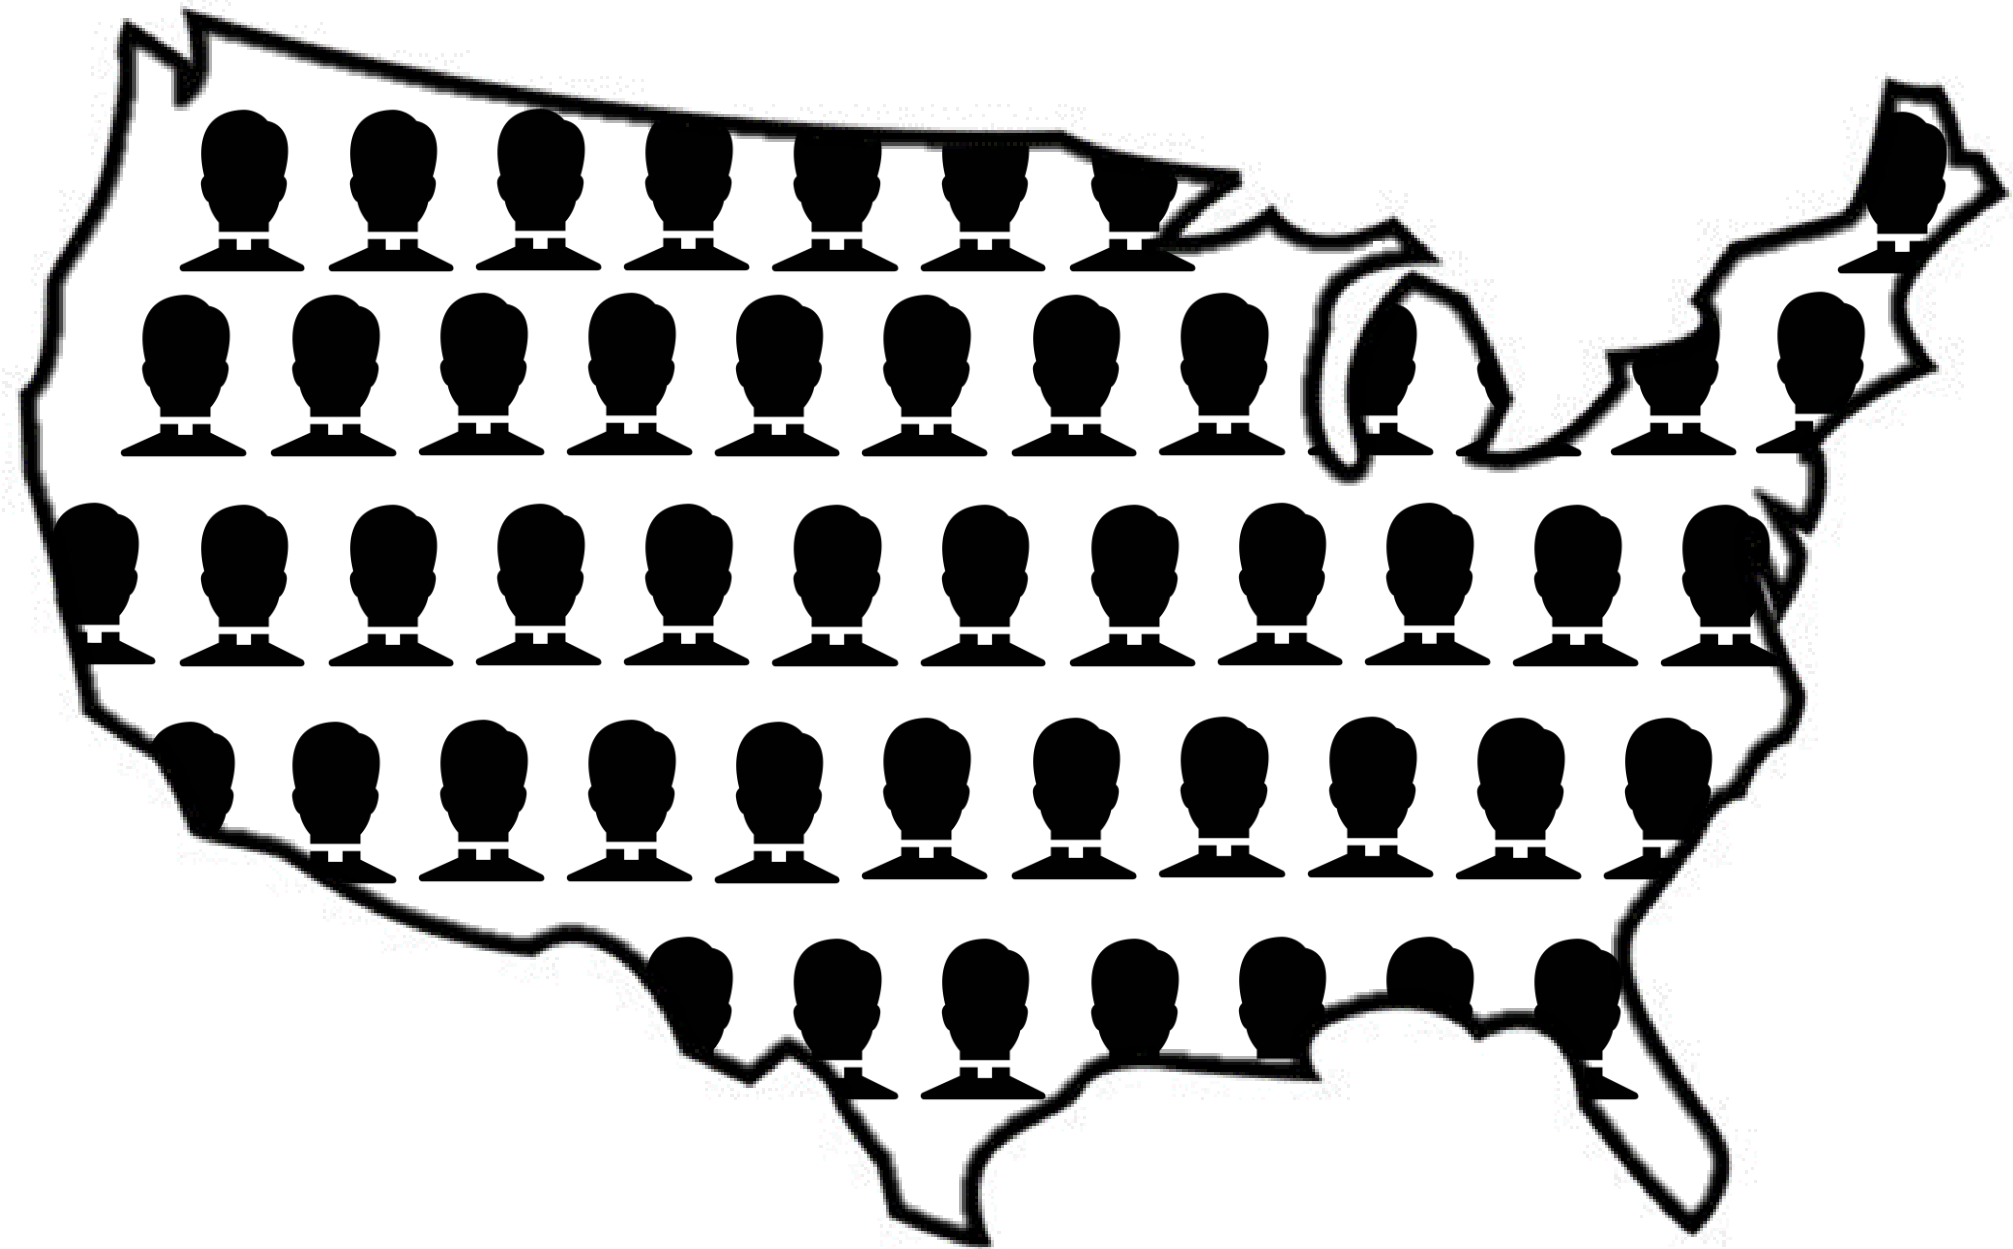

Because parishes need more

Today we commemorate St. John Baptist de La Salle, the founder of the Brothers of the Christian Schools. He reminds us that God often works in strange and mysterious ways, quite apart from our own plans.

Sarah bearing Isaac  
in her old age.

David defeating Goliath.

The Son of God  
born in a manger.

"The sign of God  
is that you will be led  
where you did not  
plan to go."
